“ I know nothing anyone tells you makes you feel better, but you are  
the only one other than my husband that knows how it feels to lose  
one so close to your heart. We lost our little girl July 19,07 & it still  
hurts just as much & always will, but you will find comfort. My heart  
truly goes out to you!

“ I know from my personal experience that nothing anyone tells you  
makes you feel any better about the situation, but you are the only  
one I know of other than my husband that knows how it feels to lose  
your very own. We lost our little girl July 19, 07. She only lived for a  
few minutes. My heart personally goes out to you and the family.
