“ *Benny Fennell and family,*

May the love of God compass you and your family during this time of grief and sorrow. Our condolences to you, Benny and your family. We understand the sadness and the grief that follows with the loss of such a close family member such as your mother, Irene. In the loss of a Christian parent, the greatest comfort a believer has is the hope and confidence is knowing that our relationship with our parents does not end at death. Your losses have been great over the past two to three years and we know this cannot be easy for you, for any of you.

Benny, I remember as I met your mother, the kindness in her eyes, the gentleness of her spirit and how sweet she was. She also kept asking who I was...LOL. I remember looking upon her face as you were speaking to her, watching a smile, as posted in the picture of her here, she smiled from cheek to cheek as she realize you were, we were taking her to lunch. She enjoyed herself immensely.

Our thoughts and prayers are with you and your family and may they blanket all of you. May your find strength in knowing that she is with the Lord, no more sorrow, no more pain. Look for the peace in knowing that she is with the Lord.

*Love and blessings to all of you.

May the peace of God that surpasses all human understanding consume all of you at this time.
