“ *Sincerest Sympathy! I have many great memories of times spent in the company of Jack. I was introduced to some of the best music ever, laughed uncontrollably & ate some great food because of Jack. There will never be another one like him!!!*

“ *Uncle Bill and Kay, we are so sad to learn of Jack's passing. Although we have not seen Jack in many years, we have fond memories of growing up next door. We spent many a day flipping baseball cards, shooting marbles, and playing homerun derby on the GMC tennis courts. We are thinking about you and will keep each of you and your family members in our thoughts and prayers. Joe & Joyce*

“ I’m Jack’s first cousin . Our dads were brothers. We were raised together as small children. One thing I know for certain, his paternal grandmother, Mamie Maddox, sure did love him. After Jack and Mary left Irwinton and moved to Milledgeville, our grandmother never forgot his birthday or Christmas and took every opportunity she could to see him. I know this because we lived with our grandmother and our mother drove her to Milledgeville or to the Carr’s many times. He was loved and never forgotten. I pray he knew that. Love and prayers of comfort for his family.

“ *Jack was my classmate and friend at GMC in the mid-1960's. We tried-out for the same position on the football team (End), and Jack got the job because he could run twice as fast as I could. He was also one of the most entertaining men I have ever known. Whether it was world events or goings-on in Milledgeville, Jack could come up with the most original and hilarious commentary imaginable. His delivery - his sense of comedic timing - was impeccable.*

Just prior to 0810 inspection at GMC, it wasn't unusual to see him holding-forth before an impromptu group of eight or ten cadets, all of them laughing their heads off.

Jack was one of a handful of people I have known who could make me laugh until my facial muscles hurt.

I count myself fortunate to have known Jack. It was fellows like him who made life at GMC bearable.

“ I am so sorry for the lose of Jack! We grew up so close, I remember when Uncle Bill married Aunt Mary and brought Jack into our family. We hit it off right away. They did not live but a couple of blocks from school and we would walk to his house and play until Mamma would pick me up. We had a great childhood together. I wish the kids of today had what we grew up having! Jack will be missed by all that knew and loved him! 🙏💕 Love You All.
