“ When I was a kid I use to help Mr. Jack out with his cows and he would always buy something from me for the school fundraiser so I could get a reward, and every summer I would spend my days fishing and playing in the creek at lickskillet..those were the times I will always remember. He was a great man and I send my condolences to the McCook family with a heavy heart he was one of the few good guys left in this world and will be missed.
Sincerely, Wayne Etheridge
