“ Gary and I send our deepest sympathies and condolences to Jackie's family. May God bless you with peace, strength, and comfort. Although we haven't see Jackie in many years, we remember her as a sweet and kind lady who loved her family and her Lord and Savior. She not only made good coconut pies but turned out some delicious banana puddings as well! I still have and use her banana pudding recipe.

“ I will always remember Jackie as such a kind, praying woman. We sat several pews behind Jackie in church and as a young person, I remember testimony services at the Church of God on Cook St. Jackie would get up to testify and I was fascinated by her very long, thick, & beautiful hair tied back with a ribbon that flowed like honey down her back. She is experiencing such joy now but you all are in my thoughts and prayers!
