“ I am so sorry for your loss. Mrs. Hulsey was one of my 6th grade teachers at Putnam Middle School. When I think back over my school years, she is one of the teachers that made a difference in my life. She encouraged me to read for fun. She asked us if we liked watching movies and if we ever laughed or cried while watching a movie. Then she said the same thing could be done by reading a book. I will always remember that. I am getting my master's degree in library media and will use her metaphor to inspire future students. Mrs. Hulsey made a difference in my life, and I am grateful for having known her. God Bless.##imported-begin##Brandy Barbee##imported-end##
