James Aycock was a great preson to meet and know! When we first moved to Georgia in 1985 he showed us around and gave us work to get on our feet. I enjoyed the things I learned from him! He had full of life and no cares in the world and nothing was going to stop him from obtaining his goals that he set out for him. My thoughts and prayers goes out to his family and friends on his passing!! May God help ease the pain and comfort each and everyone of you!!! God Bless!
