“ *He Only Takes the Best*

*God saw you getting tired,  
And a cure was not to be.  
So he put his arms around you,  
And whispered “Come to me”.*

*With tearful eyes we watched you,  
And saw you pass away.  
Although we loved you dearly,  
We could not make you stay.*

*A golden heart stopped beating,  
Hard working hands to rest.  
God broke our hearts  
to prove to us,  
He only takes the best.*

“ I didn't get to see you be for you left  
Didn't get to say my good bye's  
didn't get to hug you and kiss you good night  
didn't get to tell you how much I was proud to have you as a father  
didn't get the chance to tell you I was sorry for being stupid  
sometimes  
and I wont get the chance to say I love you one more time  
I wish I could have those chances  
but I am glad to have had the chance of having a father like you  
Thank you Daddy for being who you were!

“ DADDY I MISS YOU....

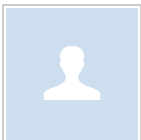

*I'm not ready for goodbye  
Nor so long or see ya later  
Not ready for the end  
Not ready for this reality  
I'm not ready for this life  
one without you in it  
I'm not ready for your goodbye  
maybe someone else's  
anyone else's  
just not yours  
never ever yours  
Death doesn't become of you  
It isn't your best color  
So could they change the prognosis  
Tell me it was just a mistake  
Just another misdiagnosis  
Please remind me you are indestructible  
just like we always used to believe  
Tell me you are still my guardian  
And still going to be living  
Please tell me daddy  
You will still always be my best friend  
Please tell me you will never leave me  
And you will be here till the end  
Tell me I'm having a nightmare  
And I will wake up in the morning  
With all these things being nothing but another forgotten dream  
Tell me you will always love me  
And stay with me,  
My selfishness wants you to always stay by my side  
Knowing that you are going to be gone  
Won't make your leaving any easier... I love you so much

“ Hey Daddy just wanted you to know I MISS AND LOVE YOU...ALSO

*Your battle is now over, no more tears flowing down your cheek  
no more pain, no more suffering, now you are no longer weak  
I still do not understand why this had to happen to you  
but I am proud to say you are my dad the greatest man I ever knew  
Although you not here in person for me to place that call I bow my  
head at night smile*

*You were always there for me and never once made me cry  
until the day you closed your eyes and had to say goodbye  
Now you are my Angel, so spread your wings out wide  
please wrap them around me whenever you see me cry  
Our time together was memorable and God took you way too fast  
But the most precious thing GOD gave to me was you being my
