“ *J.F. was my father's brother and my uncle. My dad Conard Edward Chumley, Sr. was only 17 months younger than J.F.*

*My dad and J.F. were very close when growing up, and I know my dad had a special place in his heart for him.*

*I never knew J.F. very well. I only remember that he had a "quiet spirit" about him, or at least it seemed that way to me. He didn't seem as "hot headed" as the rest of us Chumleys. I guess he was more like his Mother, Julia Lee Dorsey Chumley.*

*I have done extensive research into our Chumley family's history, and I want Jeff's family to know our paternal line was NOT Chumley, but it is O'Sheal.*

*Jeff's great-great-great grandfather was not a Chumley. He was Jeff O'Sheal. That's right. His name was Jeff, too.*

*Jeff's great-great-great grandmother was the Chumley. She was Mary (Polly) Chumley.*

*I am Connie Chumley Stringer, niece of James Farris Chumley, Jr.*

“ When I joined the Milledgeville Country Club in the mid-80's, I met Jeff and he was an instant friend. He always asked about my family and he enjoyed telling me about his. I had the priviledge to play many rounds of golf with Jeff. He was a true southern gentleman and we will miss him greatly. Our thoughts and prayers are with you.
