“ I believe God sends us people as models of what it is to be kind and humble. We may encounter them at some point on our life's journey and their memory remains with us. Jimmy was that kind of model, a genuinely good person. I can see him now in my memory from our days at Midway School and later in high school. When our days are finished here on earth may we be recalled as Jimmy is, "A good person who is admired for his strength and perseverance." Blessings and Prayers

“ *When I was growing up on Main Street in Hardwick, the Davidson  
family was my neighbor. I vividly recall Jimmie, Linda, and Jane, as  
well as their dad. Their mother Lovie was a wonderful friend to my  
mother. My prayers are with the surviving family members today.  
May God bless you and keep you in His tender care. Warmly, CW
