“ Margie, My thoughts and prayers are with you and the whole family. I am truly sorry for your loss, I too am suffering a terrible loss at this time. I lost my daughter and nephew one week ago on Friday night in a terrible auto accident, and it still seems as if it just happened today. My heart goes out to you. Please when you have time and feel up to it read MARK 13:24-26 it has helped me even though I will never understand why another one of my angels was called home so early in life, for this makes two of my children gone to be with our lord and master. Again my heart goes out to you, I lived in the housing project at the same time as Jimmy when we were teenagers. Remember him with the utmost love. Sincerely, Elizabeth Phillips###imported-begin##Elizabeth Grimsley Phillips###imported-end##
