“ Aunt Margaret and Family,

I had the opportunity to spend alot of time with Uncle James these last few weeks and I am so glad that I had that opportunity. He was a very sick man. I am so glad that I don't have to see him suffer any longer. He told me time after time that he wish you could go to sleep and not wake up. That is exactly what he done. I will miss checking on him severat times a day. Please all of you just be strong and hang in there. I know we all will miss him, but we all know he is in a better place. Please remember all the good memories with him. If there is anything I can do, please let me know. I love ya'!!###imported-begin##Paula Bevins King###imported-end##
