“ Sister Betty Ann and family we are heartbroken for the loss of Mr. Mac. He was one of the most amazing, loving, sweetest, and gentle man that I have ever met. I could always feel the strong presence of the LORD in him when I was around him. You couldn't not love him to pieces. He had the most precious look on his face every time I saw him. He was a one of a kind man. There's not many people in this world like him. I would tell him that I loved him and he would always smile and tell me that he loved me too. I will truly miss him and I know that y'all will even more. Jeff and I have each and everyone in the family in our prayers. May GOD bless each one and give everyone the precious love, peace and comfort that only our GOD can give y'all in this time of sorrow. Not only for today but for the days ahead. We love you all.

“ Cassy, he used to love when I'd call so he could hear what you and I were talking about. It's been years since he's done that, but I always enjoyed him on the phone. He'd always make us laugh about something. I love y'all and papa will be missed.
