“ Jay and Levi,

I know that there are currently no words I can offer that will be of comfort; however, I do want you to know that the thoughts and prayers of my family are with you both. I want you to know how important your parents' friendships were to my family. We love, care for, and will miss your dad. The support of your mom and dad were invaluable to our family. I want you to know that we know how truly blessed we were that they were a part of our lives. Hoping God, Jesus, and the Holy Spirit bring you the peace and comfort that you need in your time of sorrow.

My Dearest Jay and Levi

You will never know how much I loved your mom and dad! They played such a large part of our life. Your Dad has my eternal thanks for leading Mike to Christ. If someone 25 years ago would say “James Touchton is going to tell your husband about Jesus. “ I would have said they were crazy, but God works miracles and your Dad was one. He helped us make wonderful memories with our families and made us all laugh. I am sure him, your mom and Mike are having a blast in heaven. I would have come to the funeral but did not know about it until months later. I know you miss them. I love you both Shelby Cauley
