Tribute Wall

“ Dearest in Christ,

Greetings in the name of our Lord Jesus Christ, I am Mrs Charity Micheal. from Kuwait. I am married to Mr. Smith Micheal who worked with Kuwait embassy in Ivory Coast for nine years before he died in the year 2007. We were married for eleven years without a child. He died after a brief illness that lasted for only four days. Before his death we were both born again Christian.

Since his death I decided not to remarry or get a child outside my matrimonial home which the Bible is against. When my late husband was alive he deposited the sum of US\$4.7million dollars in a Bank here in Abidjan Cote d'Ivoire. Presently, this money is still in bank. Recently, my Doctor told me that I would not last for the next Eight months due to cancer problem.

The one that disturbs me most is my stroke sickness. Having known my condition I decided to donate this fund to a charity organization that will utilize this money the way I am going to instruct herein. I want an organization that will use this fund for orphanages, school and church ,widows, propagating the word of God and to endeavor that the house of God is maintained.

The Bible made us to understand that "Blessed is the hand that giveth". I took this decision because I don't have any child that will inherit this money and my husband relatives are not Christians and I don't want my husband's efforts to be used by unbelievers. I don't want a situation where this money will be used in an ungodly way.

This is why I am taking this decision. I am not afraid of death hence I know where I am going. I know that I am going to be in the bosom of the Lord. Exodus 14 VS 14 says that "the lord will fight for my case and I shall hold my peace". I don't need any telephone communication in this regard because of my health hence the presence of my husband's relatives around me always.

I don't want them to know about this development. With God all things are possible. As soon as I receive your reply I shall give you the contact of the Bank here in Abidjan Cote d'Ivoire. I will also issue you an authority letter that will prove you the present beneficiary of this fund. I want you and the church to always pray for me because the lord is my shephard.

My happiness is that I lived a life of a worthy Christian. Whoever that Wants to serve the Lord must serve him in spirit and Truth. Please always be prayerful all through your life. Any delay in your reply will give me room in sourcing another church for this same purpose. Please assure me that you will act accordingly as I Stated herein. Hoping to receive your reply.

Remain blessed in the Lord.

Yours in Christ,

Mrs Charity Micheal.##imported-begin##Mrs Charity Micheal##imported-end##

“ Rick, Donna, Mrs. Blanche and all the Family,

We were all very saddened by the news of Mr. Williams death. He was really a great and compassionate person who loved life and was so good at comforting those in need. There are countless families, as this guest book attests, that have been touched by his warm and endearing personality. We share in the grief that comes with losing someone so special in your life but we also rejoice as the gates of heaven have opened and Mr. Williams is welcomed as a "good and faithful servant" into the comforting arms of our Lord and Savior.

May God Bless and Keep you all in this difficult time.

“ Words are meaningless at a time like this. You hear people talking, yet the words fly by, missing their mark. People say "if there's anything I can do", yet, there's nothing that anyone can do. No words can erase the pain that's in your heart. Nothing can replace the emptiness left behind when someone so close to you departs this life.

Your family has spent decades serving others, and it's ironic that you now find yourself on the receiving end. Mr. Williams was afforded a long and filling life, and his passing will leave a void in your lives that cannot be filled.

This will give you the opportunity to know, firsthand, what those you serve have gone through in years past, and will enable you to better have true empathy for what others are going through.

From our family to yours, we're sorry that you've lost someone so close. If there were anything that could be done, we'd do it without hesitation. However, since nothing can be done, we'll pray that God will grant you the strength to endure the coming days.##imported-begin##From our family to yours.##imported-end##

Ricky, as you said to me a few weeks ago, what do you say in a time like this. The words do not come easy. I was sad to hear of your Daddy's tragic accident. Now my heart has another crack in it, but I'm sure by now your Daddy and my Mama are swapping "tall tales". She's telling him her "Halloween pumpkin story" and how beautiful Brenda sang when she visited Bethlehem Baptist Church. There are a lot of special memories of your family growing up in Gordan and living on the same block. I will always remember your Daddy's laugh, the twinkle in his eyes, and his big friendly smile, which he has shared with so many others. “ Ricky, we were so saddened by the news of Mr. Jamie. Your mom, dad & you have done so many things for our families over the years. We all truly loved your daddy. You may have never known, but your dad had kind of a hero status in my family, dating all the way back to the 60's when he owned the ambulance service. He always took care of my brother when he was so very sick. His name was never mentioned in my family that a story didn't accompany it about something good he had done. He was a loving, kind, dignified & compassionate man. You all have been through many sad times with us and most certainly knowing you were there was what held us together. His smile & that look of understanding in his eyes brought warmth to many sad hearts. We are better people for having known him. We want you to know that our thoughts & prayers are with you and your family now and if we can be of help in any way it would be an honor.##imported-begin##Dennis & Ginger Peavy##imported-end##

“ Ricky,
We know there are no magic words to help you and your family but you have their love and support and the love and support of your friends. As Jimmy's cousin Gladys told me when Jimmy died, grief is a process you don't get over - but you do get through it.

I've learned a lot these past 15 months and you were the one who started me on the path of healing and finding my way. Please let me know if I can help.

“ Ricky, Brenda, and family,
We were deeply saddened to learn of the death of your father. The sudden and tragic manner in which he died I am sure has left you all in shock and great pain.
Our prayers and thoughts are with you. Mr. Williams was a specially dear man. He has touched many lives and will be greatly missed by many.
By man's view this does not seem fair or right. But we serve a mighty God! He is in control and we must trust Him in all situations. I know your father believed this and he would want you to hold onto your faith and rely on God for your comfort and strength at this time of sadness.
We will continue to hold you in our prayers and thoughts throughout the Christmas season. We know, through experience, the affect of such a loss on the holiday season.
May God bless each of you in His special way.

It's so hard to put into words how we felt upon hearing of your father's passing. What hurts the most is that your family has always comforted other families with such dignity and compassion and now you are having to withstand such a terrible tragedy.
