“ I am so sorry to hear of Jan’s passing. Her son Rob and my son Wayne were highschool buddies and Rob spent many fun times in our home. I will remember Jan as a very caring, loving person. Thoughts and prayers are with her family and friends during this difficult time.

“ Dear Jan,
I was blessed to call you my dear friend. My walking buddy. I met you when you first moved to the lake . I was walking early one morning and you were stepping out of your RV in your PJs. We started talking and I invited you to walk with me one day. That was the start of a wonderful friendship.

I only knew you about 5-6 yrs. But, you were the kind of woman that I felt a immediate connection to. Someone I will always remember. I miss you so very much!

You were strong and courageous in your fight against cancer. You were a loving friend to me. I saw your faith in God grow so strong through reading your Bible and our woman's Bible studies.

You loved Charlie, Rob, Chad, Dylan, and your Godsons so very much. You loved your dogs and loved to fish off your dock. You took good care of your flower garden. When anyone needed you, you were there for them.

I will see you again some day my sweet friend. You are out of pain and enjoying heaven. I see you walking with Ginny. Love Kathy xoxo

Jan I remember you when I lived on River Ridge Trail. I would always pass you on my daily walks. You were always so sweet and friendly. It was a pleasure to know such a caring person. I am so glad you are not in any pain no more. You are at peace with our Wonderful Heavenly Father.

“ My sincere condolences to Charlie, Robbie, Jeff and their families. I remember that Uncle "Hiddy" always called her Susie. I remember her coming to Grandpa's funeral looking very sharp in her State Trooper's uniform. I know she was well loved by all of you especially Charlie. I like to think that she and Aunt Nell are happy to be together again. My heart is broken for all of you.

“ Janice was one of my best friends. She brought joy everywhere she went and was always there for a friend. The world is a little less bright today.

“ Jan-
A piece of my heart went with you. But memories will help to sustain me until we meet again. I know that you are walking with Ginny and finding the perfect fishing spot. I love you and love is eternal. P.s. we will take care of your Charlie

“ I came to know Jan through a could have my clients who were her dear friends.....the girls club 🧑🏻 she was given a gift certificate for a facial.....what a blessing she was to me ❤️👍❤️👍 On several occasions i was able to spend an hour together just talking about everything!! My sweet sister was the sweetest most meek woman. I will miss my friend greatly but the other blessing is knowing emphatically she was saved and loved Jesus.....there can be no greater JOY I could have.
