“ I didn't know... I really loved Jan. She basically took me in and saved me at a really rough time in my life. She helped me be a new mom when I was really lost. She was kind of a mother figure, but she also became one of my best friends for life. I lost touch with her, and I really wish I hadn't. I know this is belated, but to Chris, Jami, Leslie, Ellie and grandchildren, I'm very sorry for your loss. She loved you all so much. She was so much fun and had one of the biggest most giving hearts of anyone I've ever known. Her memory is precious to me. I love the photo that was posted of her here on this wall, because I somehow don't have any. I wish there were more.

“ When i met Mrs. Warnock i knew she was a warm sweet woman who loved her family. She treated me like she had known me all of her life. I see where her children get their manners and good graciousness. I know she will be missed by all that loved her.
