“ To the family and friends, sending prayers and love to you all. So sorry to hear of Jane’s passing. It makes me realize that when you see this person that it maybe the last. I saw her at Piggly Wiggly and she gave me the biggest hug and told me the cancer had come back. Just broke my heart but no matter she still smiled. She was a special lady in which they don’t make many like her. But I know she is healed now and rejoicing with her son and other family members. We will see her again. So prayers to the family for comfort and peace in the days ahead?
