“ *Such a great loss. I am left with many happy memories of talking with Jane whenever we met here at the Harbors condominiums. We often ran into each other when we were out walking our dogs. She had her hands full with strong little Bella pulling on the leash! Jane always seemed happy and it was obvious how much she loved that little dog. Jane was a blessing to our community and we will always remember her fondly.*

I'm so sad to hear about Jane. She was a great sister-in-law but we have lost contact since she moved back to Milledgeville and we are in Tucson.

She really loved her fur babies and was a wonderful mother to them.

I'm still in shock and really, really sad.
