“ We will all miss Jane, her spontaneity and free spirit will be missed. I could always count on Jane to shake up things when she came by the shop.. a funny story, a brash comment, but always tempered with loving concern! I love you Jane!

“ Villane, you probably don't remember me but I work in the courthouse and every pay day we would hot foot it down to your store. Most of the time your poodle and Ms. Jane were there. What a great memory. At this years library fair I was holding a Voter Registration booth and Ms. Jane came and sat with me, she never met a stranger, we had a wonderful talk. Sorry for your loss, condolences to the family and friends. Ms. Jane had many friends.

“ Villane & Ken. I am so sorry to hear about the passing of your mother. Our thoughts & prayers are with you in this most difficult time. Love Derell & Eden Waldhauer

Derell Waldhauer - January 22, 2017 at 06:43 AM

“ Grandma Jane left a lasting impression so many people. As a hairdresser in Savannah, being that it is a military town and has SCAD, you rarely meet anyone from here. My first ice breaking question is usually "where are you from?". One client quickly answered "near Macon." I asked if he was from Millageville and he laughed and asked how did know. I told him that is where my family is from. After I told him my maiden last name was Waldhauer he asked if I was related to Jane. He worked at a book store and talked to her often, and adored her. I loved all the books she used to send me, and can't wait to share them with my daughter.

“ Villane, Rita and I send our condolences. The neighborhood has changed and those we recall from times past have gone. Your Mom was one of the last in our neighborhood and the little yellow house will be a fond memory of her. I am thankful for those "old days" and life in a much less hectic time. Blessing to her and to you.
