“ I am so sorry for your loss. Janet was a good friend to my mother Margaret Jameson while at Savannah Court. They were always whispering about something that was going on at the Assisted Living Home and having a good laugh together. Just know you and your family are in my thoughts and prayers.

“ I am sorry for your family's loss, I knew your mom and spent many a evening with her at the bowling alley on the ladies league. Jan was very proud of her grandchildren and always mentioned them to me. Bernie and her will always be in my thoughts.

“ *I'm sorry for the loss of your family and friend, and to give comfort I would like to give you a message from God's word the Bible. We all want to live, and enjoy with those who we love. The Bible teaches at John 5:28, 29 that most people who have died will be resurrected by Jesus Christ. In harmony with God's original purpose, those resurrected as humans will have the opportunity to live on a paradise earth and everlasting life mentioned at Psalm 37:29 that says "the righteous themselves will possess the earth, and they will reside forever upon it." This promise includes perfect health and once again everlasting life. I hope this gives much comfort to family and friends.*
