“ Kell, Candice and I will forever be grateful to Janet and to your family for the love and help you constantly offered as the best neighbors anyone could ever have. Many ballgames and trips supporting our boys will bring wonderful memories of our friendship. Your many days of caring for our Nana will never be forgotten. The joy that comes from knowing that the two of them are together is so special. Receiving eternal life exactly one year apart - to the day - is something that will help each of our families long remember the other.

Our prayers will be lifted supporting you in the coming days and weeks as you deal with this devastating loss. All our love, Pat Dodson, Kell and Candice's family
