November 22, 1922 - June 11, 2019

Janet Chapman Randall, 96, passed away on June 11, 2019.

Janet was born in Beverly, MA to Dr. Guy Charles Randall and Mildred Naomi Chapman. She was preceded in death by her parents and loving brother "Chuck" Randall.

As a young woman she loved babies, young children and small animals. She would read to her nieces and nephews "the same book" over and over at their request. Janet completed 3 years of work in the Household Arts Depart. at the Norhampton Vocational School in North Hampton, MA. Her mother was a Dietician and taught Janet good Manners per "Emily Post". Janet always greeted everyone with a big "Hello" and a big smile!

She appreciated all her friends from FUMC who brought her to church and Sunday School over the years. The visits, food and rides made her very happy! The past nine years were spent at Green Acres where the staff continued to love her and guide her along her life's way. During her last days, she enjoyed rides in her wheelchair with her loving nephew (Poodle-Oreo) She would sing child-like songs to him, smile and show off her prize (dog) to the other residents.

Since Miss Janet was special needs all her life, sharing God's love to all those around her.

Matthew 19:14 "Suffer the little children to come unto me".
