“ *Our sincere sympathy in the loss of your mother, wife, daughter and sister. I remember Janet's beautiful voice in choir at Pine Forest Baptist Church. When I had her in my GA's group, she always came up with excellent ideas for presenting or participating in missionary work--she was a home missionary wherever she resided. Always glad to get a book for her birthday and eager to share others with books--we still have some she gave to Kim & Juli. May God Bless and comfort you in this time of sorrow, and know our prayers are with you. You have precious memories to console. Glenn & Elizabeth Shepard*

“ *Marc and Jacob may you be comforted in remembering how much Janet loved the both of you. She and I started to work at Community Mental Health the same day and she became a jewel at that facility. She poured all she had into the Day Support Program. I was honored to know her and was sorrow when she moved away. It has been a joy maintaining a Facebook relationship with her and whenever she was in the hospital she would ask me to pray as I did this time. She has suffered a long time. In the weeks ahead please find comfort in knowing she has finally been granted eternal healing, health and wellness. Shalom. Minister Debra A. Thomas, LPC.*
