“ *Janice was my sister, but we were also best friends! We did things with each other that we wouldn't do with the our other two sisters! When I had my son, before her first daughter was born he was hers too! Then when her daughters were born they were my girls! We always called each other and talked about our kids, days whatever'. Janice will be missed by so many! I wanted to pick up the phone this morning and talked to her! Love you Jan always and forever!*
