“ I first met Janice in the 7th grade. It was her personality and constant smile that drew everyone to her, we became fast friends. Throughout our remaining years in school, our friendship continued as we passed letters in the hall, spent lunch periods talking. Janice was never without her trade mark glowing smile. In all of the years I have known her, I've never known her to be mad, or sad. She was always "Janice". My thoughts and prayers are with Ms. Edna, Christopher, her family. I'm sure their lives are forever changed having lost such a wonderful person. To everyone who knew Janice, she will remain in our hearts and will be missed. I'll never forget her and the part she played in my life.##imported-begin##Wendy Allen##imported-end##

“ Janice was truly a great friend. We had many good times and laughs at the salvation army. She was strong and really worked hard during her sickness. Her son Chris was her world. She was not my sister but in Christ she was. May angels wrap there arms around her family and carry them through this time of sorry. Love You Janice.
