“ Jan was such a ray of sunshine! She always made you feel welcome, cared for, and loved. I am so sad she left us so soon, but I have no doubt her memory will live with us for a long time. How can you forget someone who has taught us so much, to be kind, to be caring, to choose Joyce, and to love all. Praying for her family. May God bring you comfort and peace. Love, Maria Wheeler

Jan always had a smile on her face and positive words when she greeted me at the window at ProMotion. Sending prayers and love to all who are grieving the loss of this beautiful lady.

I am deeply saddened to hear about Jan. I got to know her at Promotion and she had everything that makes someone coming in like old friends and her smile was contagious. She retired and I never got to say good bye to her and wish her the best. She represented everything about kindness and love. I am deeply sorry for your loss.

Jan always had a smile on her face whenever I was at Promotion either for therapy or to request playing of a flyer for one event or another in the community as was always willing to oblige. She was always so cheerful and will be missed.
