“ Dearest Shirley Ann, Brooke, Danny & family. I am so sad and grieve for all of you as well as myself. Janice was such a trooper up until the very end. We often laughted about our parallel lives, caretaker daughters, our similar situations and common gene pool. I am going to miss her so much as I know you all will. I love you all and my thoughts and prayers are with you all. I am so sad that I can't be there. Love, "Auntie Anne"##imported-begin##Anne Berrier##imported-end##

I even laugh at the memory of getting in trouble with her when I peeked into the "forbidden bedroom." “ I spoke to a very special person yesterday who put everything in a perspective I had never really thought about before. He said that for those of us who believe in God as All-Powerful, All-Knowing, the Creator of the universe... when we stop to consider that she is with Him now...it kinda makes you jealous. I found that very comforting along with knowing that Mama has been re-united with sweet, mischievous little Jackie Lynn, Grandma and Aunt Winifred.##imported-begin##Shirley Ann##imported-end##
