“ Lisa and Keith,
I am so sorry to hear of the passing of your loved one. Even though it is hard to be seperated from her physically, there is peace in knowing that one day you can see her again. In the meantime, you have your own personal angel looking out for you like she has always done. I hope that thought brings you peace and comfort in the days ahead. Our thoughts and prayers are with you.

“ Papa Henry and family,
In the last week I have had the HONOR of being in the presence of this family. I was willing to give myself as support in anyway and in return I was the one blessed. You allowed me into your family and into your home with open arms and I had the priviledge of getting to know each of you. Thank you!! Matt and Nicki, There comes a point when you stop being friends and become family and I consider you family. To all of you..I love you and am praying for strength and peace at this time. Papa Henry.. I am here, if you need anything let me know. Love Rhonda##imported-begin##Rhonda Holsenbeck##imported-end##

“ Dear Henry, Keith, Amy, and family:

I just read Williams' website and stumbled across Mrs. Janice's obituary. How sorry I am to learn of her passing.

I remember her from when you lived out in East Baldwin Co. on Linton Road/Sibley Road. She was always so nice.

Keith and Amy, I am really sorry that your Mama passed away. Mamas are special people, and they will always live on in our lives.

Henry, I am very sorry that your wife passed away. When you get married, you always envision retiring and growing old together. She was so young!! I hope that you find solace in the fact that Janice WAS BORN AGAIN!!! She loved her Jesus, and there's no doubt as to where she is right at this moment.

Each and every one of you are very special people to me. You were a very vital part of my growing up years. I have so many memories of you all.

Rest in His arms,

Scotty Rogers
