“ My mama was a terrific person and mother. I couldn't have asked for anyone better. She fought harder than I ever believed she could for almost five years, and I am so proud of her. She was the strongest woman I knew. I can only hope to be like the woman she was, and to bring happiness and laughter to all that I meet. She was the light of every room and a light in my heart. I love and miss my mama so much, but am thankful that she is finally at peace now with God.
Thanks to all for your support, prayers, sympathy and love during our difficult time. It is all appreciated more than you know.
Thanks again and God Bless,
Mandy Ptak
