“ Dear Family,
Your mother was an Amazing lady. The heart that your mother had for others is a rare gift to the many people that had the privilege to know her and be blessed by her. Your Mom impressed me in many ways. I feel inspired by her life. We were friends for over 10 years and we talked almost every night till late . I have many cherished memories of her. I will never forget our conversations and laughter together. She loved to talk to my husband as well. We visited her in the hospital, and she was always so happy to see me. The feeling was mutual. I loved her dearly and she loved me. She called me sometimes twice a day, and would leave me sweet messages which I still have. She was a true friend. I know Mothers can never be replaced, I hope your memories of her bring you comfort. May God provide you with strength, peace and love during this time of loss.
My deepest condolences & prayers,
Thao & Jacque
