“ Although there were many visits over the years between New York Stare and Milledgeville I would have loved to have had more time with you to share more memories. Your Dad, my Uncle Ebby was my favorite uncle. I also watched him as he married Aunt Marion and together they had ‘Beaver’, Michelle, and you, Jeff! Then came the fun of watching you grow up. Always concerned about others and very supportive of your mom and dad! You will be sorely missed by many. Donna B Phillips
