“ Jennie now your health struggles are over and you are in the arms of our Lord and resting in Heaven and with those that you love that have welcomed you home. I see that picture of you smiling and holding Casper who you adored and who you are probably now holding again. I will always remember days at Careers USA and our Annual Christmas Dinners and how you loved us to decorate the office for the Holidays. We had so many laughs during those years and I wish I could have seen you more when I moved to FL. I am so glad that you and Jerry had that beautiful home built and lived on the Lake. Special memories will always be with me and I am glad we shared a friendship as well as working together. You will be missed for sure!

“ Jennie was my Sister in Law. I feel fortunate to have had the opportunity to have long phone conversations with her over the years. I called looking for Jerry, who was hunting or fishing as usual, but would talk to her about Family and what ever else came up. She was always gracious in the Southern way and she loved my brother Jerry very much. I will miss her and I know he has been missing her for the last year as she slipped into the cruel disease of dementia. Jerry I wish that I could be there for you Tomorrow and Thursday but, Know that I love you and that I am with you in Spirit and that God is always with you.

“ *I never met Jennie but knew her through her loving husband, Jerry. He always spoke of you with kindness and love. I know you are very much missed on this earth but will be with us in heaven. -Laurel Cressman*
