“ My heartfelt sympathies for your loss.

I only just found out about Jerry's passing today, 27 Aug 2023. I remember him well. We were classmates at Warner Robins High School and members of the AFJROTC unit there in which we were also both members of the Red Knight Drill Team.

I remember the hours we practiced our marching routines together with our other teammates and the road trips we took around Georgia and Florida to attend various drill competitions. We were both on the team that earned a first place trophy at our first drill meet as sophomores at Deland, FL in 1979. I also remember the trip to Florida State University in Tallahassee, FL in spring of 1981 where we shared a motel room with two other members.

Jerry was also kind enough to invite me over to his home several times to play video games on his Atari game system. I enjoyed this time immensely.

Unfortunately, I was not able to graduate with Jerry in 1982 as I was an "Air Force brat" and our family had to move to Texas in December of 1981.

I have never forgotten Jerry. Looking through the posted photos, it appears he grew into a fine man, husband, father, and grandfather.

May he rest in peace until he is resurrected to be embraced by Jesus.
