“ Jerry was like a magnet - always drawing people to him because of his joyous personality. He was so much fun and created many happy memories for Peter and me. We loved going to his "Hideaway" and "Grill" and having a great time with good food and drink. He will be remembered with great fondness.

“ I first met Jerry in 1970, and it was as if I had known him all my life. Such a fun loving, caring man with the biggest heart. He is leaving behind many, many friends and his family, who he cared for deeply as they cared for him. He will be sorely missed. I will remember him often as a true friend. I will hold dear my memories of him. My sincere condolences to his family and his friends. Hold a seat for me til we meet again. RIP, Jerry

“ Back in the day Jerry and the gyro and their kids we're family they gave me hope at a time in my life when I didn't feel like I had any reason to live. They took me in, share their family with me, their Summer's and their vacation trips. They were my second family and help me get through a very hard time in my life. Their sons were like Brothers to me and I don't think I could have gotten true if it hadn't been for their loving support.
