“ Jerry and I were best friends in high school. Born the same year with birthdays in Feb. Our life paths thereafter took us in different directions. I regret I did not make more of an effort to keep in touch with Jerry. I do treasure the memories of the good times we shared together including racing with our Dad's new cars. He drove the new ford, I drove the new chevy. We made the trip from Wittenberg to Hatley in world record time on Highway 29, one day. My heart is heavy today as I write this tribute about a best friend who has passed to the highways in heaven. Dale Miller, JD. Dacula GA

“ Jerry had such a great personality and a great laugh. I enjoyed the time I spent with him as a member of our support team. It was a great group of guys to be around. I am very sorry for his loss and my condolences to his family.

“ Words cannot express the sorrow that I feel in the loss of my friend Jerry. We worked together in New York and moved to Georgia at the same time. Jerry was a caring and kind person to all with a ready laugh. His barbecuing and smoking were superb. A lot of good times together over the years. You will be missed my friend. Rest with the angels and be in God's hands. Enjoy your golf and a good beer in heaven. You have earned it. I know you will be watching down on us from heaven and still being there for Chris. All I can say is Godspeed on your new journey.
