“ I worked with Jim at DeKalb County for many years. Jim was patient and kind and spent many hours teaching me so much about my job and about life. We played softball together and always had a great time. Jim was a family man, loved spending time with his wife and daughters, and later grandchildren. We're thinking of the family at this sad time. We are blessed to have know Jim.

*Our thoughts and prayers are with each of you.*

“ I worked with Jim for a long time with the county, and he was the one who arranged the blind date with Sandra, who would become my wife. I always loved his sense of humor and his stories of when he was in Vietnam. He loved his family, especially his grandkids, he would talk about them often. Thanks for the great memories Jim, and I thank you for being a blessing in my life.

“ *What a great friend he was, his daughter Tara played softball with my daughter Renee. His wife Gail, and I would sit together, and watch the games. Jim would be on the softball field helping coach. He was a great father, husband, and a friend. He will be forever missed, but not forgotten. Brenda Johnso Potts*
