“ *Jim and I were Firefighters at CSH after were returned from
Vietnam. He was Captain at that time and a very good FD Officer. I
knew Jim from the time we were in elementary school and have
held him in a place of high regard. He served his community and
country well and was a decorated veteran of the Air Force. Much
can be said for a man who served in the military during his time and
it is a testament to character and commitment. He served when
others ran or refused and I admire that character. Rest now friend.
Your days of answering the call of the fire-bell are now ended and
you answered the call well.*
