“ Although I have been away from Milledgeville for many years, I remember Jimmie as a good and kind person who always had a smile on his face. He cared for his family and others and was pleasant to everyone. We kept in touch with Christmas cards and notes for a long time until my last card was returned with no forwarding address. No one I contacted in Milledgeville could give me a new address for him, and I could not find one online either. I have good memories of times spent with Jimmie and believe he is now with in Heaven with other, departed loved ones. My thoughts and prayers are with all of the family during this sad time.
