“ Jimmy was a good friend of mine, even though we didn't see each other that much. He went to Lakeside Church and I do also, however in the last months, I have so much going on with my health that I haven't been there. I had been knowing Jimmy since 1965 when I met him when we moved to Milledgeville. Have run into him lots of time since then. I'm praying for all his relatives and friends.REST IN PEACE JIMMY
