“Jimmie Rea and I went to school together (4th thru 7th grades) in Toomsboro. One day the door to classroom got stuck and Mr Herndon, teacher was trying to open the door to come inside classroom. We told him the door was stuck and he yelled kick it. Jimmie Rea kicked it and when it flew open it hit him in head. This was not funny, but at time we thought it was. Prayers . Sure he she will be missed.
