“ Joe Sumner, such a great friend... gone but not forgotten. I never actually met Joe or Patti in person, we met through an online game called Hayday. Next thing I knew we were great friends, after some time they became extended family. I felt like I knew their kids and grandkids personally . We spoke regular, but I'm so sorry life happened, I got busy and lost touch for a while. But know your memories will live on my dear friend. Until we meet face to face, some day...rest in peace 🙏🙏. To Ashley and the rest of the family, I pray God's grace guidance and support during this time 🙏💕
