Tribute Wall

“ I know you loved me Uncle Joe...even though you always said..."why didn't Dot pinch your head off when you where a baby" and even though you tried to run over me with your bass boat that time on Lake Jackson in Tallahasee...I know you really loved me in spite of all that because you used to tell me, even when I got to be a grown man...and Uncle Joe you know I always loved you too...because you were just you.##imported-begin##Greg Busby##imported-end##

“ My heart is broken, this was my favorite uncle. He reminded me so much of my dad. He was a joker and a man with a BIG heart. He was someone who made us homemade ice cream when we visited in the summer and he pulled my tooth when I would not let anyone else. There are so many memories. My heart goes out to anyone who was lucky enough to have been touched by his life. To Debra and Elaine and your extended family. My prayers are with you all during this difficult time.##imported-begin##Paul and Melody Shippers (Wallace)##imported-end##
