“ I was so surprised and saddened to read this. I worked with Joel years ago and he was a wonderful person. We touched bases here and there over the years, and he was just as kind, and good-natured as I knew him before. Prayers lifted up for the family and friends.

“ I remember fondly our weekly game nights. Joel always took the time to make people welcome and check in or at least say hello and chat.

“ Joel was always so kind to me and my family. He even took the time to come to my mom's funeral last year even though we had not seen each other in over 20 years. I'm still in shock. Sending love to his family.

“ No, my friend. I remember when I got my motorcycle, I met him while he was riding his 99cc scooter. Those were good times and you will be missed man. Rest in Peace buddy.

“ *Joel was an incredibly kind and loving person who gave freely of his time and talents to his family and his community. He was the President of the John Milledge Chapter in Chapter of the Georgia Sons of the American Revolution and spent much time being a true patriot and serving his fellow man and the local community. He organized many SAR monthly meetings and shared amazing stories about our American Revolution ancestors that inspired our citizens to be better supporters of our democratic processes and principles. He played Santa Clause in the local Christmas parade and it gave him great joy to share the Christmas spirit and the message of Jesus Christ with everyone in Millegdeville. Joel departed this earthy world much too soon, but he will always be remembered as a tremendous person and a true friend to everyone who had the privilege to know him. We will miss you, my friend, and may God hold you in the palm of his hand.*
