“ Joey and I met early in life; around 8 or 9 playing little league baseball. We quickly became friends over our common interests. I spent a lot of time around his family hunting and fishing. I will cherish the times his dad Larry coached us and took us fishing. What a great family! Over the last couple of years Joey and I reconnected during hunting season. I am grateful for the time we had together; I will miss you buddy! Rest in peace my friend!

“ Joey was a great man and I consider him my best friend. Friends are hard to come by and he was mine. He loved with his whole heart and would do anything for a friend. He loved his daddy and Amber and thought the sun set and rose in Lyla rose. We lost a great man a true friend and a great person all in one. But I think and know he is with God today looking down on us and not a bit of pain or sorrow. We will see him again one day and he will be healthy and happy and waiting on us! I love you Joey and miss you my dear and true friend! Love Misty MC as he called me
