“ I remember us meeting at Atlanta Airport on our way to basic training and we remained friends all the way through it. You became my barracks roommate at fort Lewis and man our shenanigans!!!! We deployed to Iraq for 15 months. First enemy contact you were right next to me. We were always close. Being from Georgia and me from Alabama it was an instant bond. We always told each other "love you brother" and we meant it. I hope and I pray to our heavenly father that we may see each other again. Love you brother. Oh and roll tide! Sean McGuire
