I have known John Clifford Campbell for over 73 years. I first met him just outside Vidalia, GA in 1973. I had driven my car into a ditch. Clifford came along and pulled me and my car out. Two years later I married his wife's sister. Sense that time John Clifford (J C) Campbell has felt like a brother to me. He and his wife Betty and my wife Faye and I were together any time we could be. The Campbell Girls, Wanda and Gail and our Girls, Lynn and Cindy were always as close as they could be. And although my immediate family and I were traveling all over the world while I was in the United States' Air Force, we still were very close. Any time I had leave time, a good portion of it was spent with The Campbells. There are just no words to explain the love and togetherness we have enjoyed over the years. Rest in Peace Brother Clifford.

“ So sorry for your loss. I worked with JC at McGaw for years. One time he helped me fix the water pump on my tractor as he had access to a manual press in the shop. He replaced the carbon water seal for me with a smile. I later ran into him as he would sometimes drive the band bus for the school system. He was a good guy. Steve and Judy Ivey
