“ Dear family and friends, I am a long ago friend of John. We grew up together in Cannon Falls, MN. John was a year older and we played sports together. I remember his strength of character, hard working in class and on the football field. He was a good friend and an excellent model for me and others in how you treat and help others. I played football at Augsburg College and played on the defensive line and John was on St. Thomas' offensive line. He was kind, as he handled me almost all the time. I am sorry for your loss. Yours truly, C. LeRoy Erickson

My favorite memory of John was the year he hooked up a trailer to his lawn mower and hauled the kids around on Halloween. Peace be unto each of you.

The first time we met was at the Hancock Co. polling place. John shared the fact that he was from a little town in Minn. called Cannon Falls. The town where we lived before we moved to GA. So sorry for your loss, Christie. Jim and Shirley Forry
