“ So sorry to hear of John's passing. I was a casual friend of his in High School and we lost contact after graduation. He went into the Navy and I went into the Air Force. I was able to hang out with him a couple of times through the years after both of our stints in the military were over. He always had a smile and a story to tell whenever we got together and I truly enjoyed his company. He was one of the good ones and I'm sure he'll be missed by his closer friends and family. Rest in Peace Sir. Thank you for your service and for the laughs.
