“ I'm Tom Greene. John and I were close friends for many years, but not during his years in Milledgeville. I'm writing this many years (2025) after John died. I don't expect many people will be viewing this page at this time, but I would be very interested to heard from anyone in contact, especially John's family. My email is: tom@libertystreet.org.

*I'm writing a few stories about John's history and appreciate any input.*

*Kindest regards, Tom*

“ I knew John for many years. Despite the troubles in his life, he had a keen intellect, a strong empathy for the unfortunate and downtrodden, and the soul of a poet. In the few times I saw him in recent years, we talked about writing, a common interest. I still have a small self-published collection of poems he wrote many years ago. I have thought of him often and will continue to do so. My heartfelt sympathies go to his family and others close to him.##imported-begin##Rick Amor##imported-end##
